

08/03/2024 Dear Taxpayers, GSTN is pleased to announce the successful integration of E-Waybill services with four new IRP portals via NIC, enabling taxpayers to generate E-Waybills alongside E-Invoicing on these four IRPs. This new facility complements the existing services available on the NIC-IRP portal, making E-Waybill services, along with E-Invoicing, available across all six IRPs. Please find below the websites for all six IRP portals: <https://invoice1.gst.gov.in> <https://invoice4.gst.gov.in> <https://invoice2.gst.gov.in> <https://invoice5.gst.gov.in> <https://invoice3.gst.gov.in> .....
